You need to accept the Aston Publications/Data/Research Explorer’s Terms and Conditions for Deposit summarised here

For work being deposited by its author: in self-archiving this collection of files and associated bibliographic metadata, I grant Aston University the non-exclusive right to electronically store, convert or copy the work(s) to ensure their future preservation and accessibility so they are publicly freely available online for a period specified by the research funders policy or for the lifetime of the repository. I declare that I am the copyright owner and/or have the right to grant Aston University this licence. I declare that this material is original or has been modified or adapted according to the licence of the original data owner, and to the best of my knowledge does not violate or infringe any law including copyright. I have the right to grant Aston University this licence with the understanding that Aston University does not assume any responsibility if there is any breach of copyright in distributing these files or metadata. All authors are urged to prominently assert their copyright on the title page of their work.

For work being deposited by someone other than its author: I hereby declare that I am authorised by the owner(s), or other holders of these rights and I am competent to grant under this agreement, a licence to hold and disseminate copies of the material and associated bibliographic metadata that I am archiving in the repository in the public domain. If this is not the case, I accept full responsibility for any breach of copyright that distributing these files or metadata may entail.
