Authorise export of content from PURE to ORCID

In order to maximize your ORCiD, you need to authorise export of content to ORCID

a. Log into PURE as normal (https://pure.aston.ac.uk/admin/login.xhtml).

b. Please note that in order to access PURE you need to be either on campus or from elsewhere you need to be using VPN

c. Click on the “Personal” tab

d. Click on “Authorise export of content to ORCID”

e. The following window will open:

f. Click on “Proceed”

g. If you already have an ORCiD, then click “sing in” and add you details in order to bring the identifier into Pure.

h. If you do not have already an ORCiD, then fill in the details.

If any problems occur with the checking process, please contact: openaccess@aston.ac.uk
